## Newsletter No 10

13<sup>th</sup> February 09

Dear Parents/Guardian

### **Magic Show**

I would like to thank the PTFA for organizing the magic show in my absence. I understand the event was enjoyed by all.

### **School Website**

With the help of Pete Morris we have developed a Stanbridge Lower School section which is incorporated in the village website (<http://www.stanbridge-tilsworth.com>). Pete has worked hard creating the site and we are very pleased with the final results. All sorts of information are available on the website about the school; including up to date newsletters, school curriculum information, PTFA news, and children's art work. The site is now live and can be accessed at <http://www.stanbridge-tilsworth.com/school>

I hope you all have a good break and let's hope the weather finally improves!

Yours sincerely
